

St. Catherine  
Early Childhood Education Center  
SACC Program Information  
2020-2021

Thank you for your interest in the St. Catherine of Siena Early Childhood Education Center School Aged Childcare Program. This program will offer a place for K-8 students to go when their typical school is operating on a hybrid or distance learning model. Class size will be limited to 9 students at any one time. Ms. Kayla Sykes will be the lead teacher in the SACC. Ms. Kayla most recently was a facilitator for a reading program geared to k-3 children as well as a program coordinator for an after-school program. She will assist students in the educational demands presented from online learning.

The school day will begin at 8 AM and end at 3 PM. The cost is \$20/day. Billing will occur monthly based on days contracted not on actual attendance. No credit is offered for days missed due to inclement weather or absences. If the k-8 school changes their model abruptly we will prorate for days not attended.

There will be limited extended day hours offered for SACC students. Extended day will be offered at 7:00 AM- 7:45 AM and 3 PM-3:30 PM billed separately at \$6/hr.

Hot lunch will be available for purchase or your child may pack. Please send a snack for snack time.

Students must wear a face covering. Students must bring their own technology (laptop, notebook) so that they may complete schoolwork as well as a pair of earbuds or headphones. St. Catherine ECEC SACC will do our best to assist students with all assigned schoolwork but we will not be held responsible for any incomplete work. Parents should ensure that any incomplete work be finished at home.
