
Art:

- Color or Draw: with markers, crayons, pencils, pens.
- Paint with watercolor paints
- Practice cutting with scissors
 - from magazines, newspapers, ads, old mail
 - draw lines , circles, zigzags , squares, rectangles, triangles then cut
- Make a collage: with Environmental Print (print we see every day in the world around us in the form of logos and signs. Examples- Target, Kroger, McDonalds)

Shaving cream (place shaving cream on surface of a table have your child write with finger/ fingers –bonus it cleans your table great!!!)

To write alphabet, name –first and last, numbers , make a picture

Reduce, Reuse, Recycle-

-use paper towel rolls, toilet paper rolls, old magazines, newspaper, old mail, shoe boxes, cereal boxes , old buttons , water bottles, milk jugs.....

... make something new!!!

Practice finding the letters in your child's name –by making a design with letters from magazines and newspapers.

Make your own book !! and have your child read it back to you!!
